# DIFFUSER

Provides a large dispersion and spreads the light

- Especially applicable for checking high spots while coating
- For car dent repair
- For detecting dust and nibs on painting
- Softens the light avoiding hard shadows

SCANGRIP DIFFUSER  
03.5750  
Fits MULTIMATCH 3 CONNECT

SCANGRIP DIFFUSER - Large  
03.5751  
Fits MULTIMATCH 8 CONNECT

Easy and safe mounting with strong magnets

# SPECIALIZED WORK LIGHT SOLUTIONS

Light is an important tool for many tasks. We take that very seriously when developing specialist light for niche markets - such as lights for the coating industry. We are constantly pushing back the boundaries of LED lighting and battery technology, creating new and specialized work light solutions designed to fit your needs.

SCANGRIP receives strong recognition in the marketplace for its product design, and the products are known for their high quality.

Designed by us. Manufactured by us.
